Get ready to pave the alleys in the business portion of Mexico early in the spring.

Unless a county fair association is formed at once Mexico will be without any fall festivities in 1906.

There will be a cast a mile of street paving put down in Mexico next spring. That's the way to make a city.

There protracted meetings are being held in Mexico. The Christian, Methodist and Presbyterian churches are holding revivals and the public is cordially invited to attend these services.

The Farber Forum editorially says: "Is opposed to a saloon at Farber for many reasons. If it is such a good thing, as its advocates claim, 'Vandalia' would want one. Bowling Green would want one, Laddonia would want one and Louisiana. Why one at Farber? Our homes are happier without it, and that should be reason enough."
